# Inspiration!!

---

As incoming freshman... and Tianbo(天博) overwhelmed with the excitement of college, we found it difficult to keep track of the various review sessions hosted by TAs and Fraternities. We then came up with the brilliant idea to put all of this information in one place. Thus, SIT Review was born.

# Outcome

— — —

- Website with a homepage that displays a beautiful crimson calendar and the day's review sessions
- Courses page with detailed information about upcoming review sessions
- Page for submitting review sessions
- Login page for creating accounts and logging in to the site
- About page containing an overview of the website and contact information

# HTML

---

## Structure:

- Navigation Bar
- Home
  - Daily (table) and monthly (unordered list) calendars
- Courses
  - Specific review descriptions (table)
- Submit
  - Event application (form)
- Login
  - Account creation (form)
- About
  - Site description (paragraph)

# CSS

---

## Layout:

- Stevens' color scheme
- Logo
- Sleek, streamlined

## Responsiveness:

- Mobile friendly calendar
- Navigation bar

# JavaScript

— — —

- Login page and submission page
- Creating and storing an account
  - Stored input fields in a dictionary
- Validating account credentials
  - Comparing input fields to values in dictionary
- Submitting a review session
  - Plays back submission info in an alert window.
